an in depth analysis of the gifts of the holy spirit what they are where they come from how they work what they do and why they are important

together we are going to have one of the most interesting and informative studies that we have ever had i want you to enter into this series on the gifts of the holy spirit with your bible open and with an open mind as the holy spirit himself becomes our teacher it is he who holds the key to a successful fruitful and victorious christian life and through his gifts we glorify god

son jesus christ there are two extremes which we face today as we come to the subject of spiritual gifts first of all there is abuse some have brought a reproach upon the wonderful work of the holy spirit because of their misappropriation of the supernatural power of the spirit i think most of us could cite examples of fanaticism arising around this doctrine and because this doctrine has suffered much abuse there is the second extreme the average child of god has neglected it and does not know the teaching of the word of god in the matter of spiritual gifts lest he be deemed a fanatic or thought to run to the same excesses to which many have gone the average christian shies away from the teaching of the word of god in his quest for spiritual gifts nothing is as powerful as the written word of god if i say one thing and the bible teaches another the bible is right if your church or pastor teaches one thing and the bible says another the bible is right sometimes i think it s the hardest thing in the world for folk to turn away from their preconceived ideas and come back again to the word of god it will be a wonderful day when all professing christians regardless of denomination get back to the word of god back again to thus saith the lord we have so much churchology so much theory so much creed there is too much of man s doctrine and too little of thus saith the lord
